# Council of Advisors

Specific recommendations for Objectives/tasks/strategies that should be addressed or implemented in 2023 – 2024 and beyond

- CoA Chair selected by Council members vs Nominating – Governance review as by-law change
- CoA approval for same voting representatives on NB as CoP – Governance review as by-law change
- Annual goals will be established by the Council and submitted to the President for review and vote by CoA followed by submission to Governance for approval
- Additional accomplishments of the 2022-2023 year
  - All 21 CoA members have been working diligently on every item we were asked to address and on the ideas that surfaced, in unison and with great enthusiasm.
  - The work throughout the year has been a great exercise in camaraderie and understanding, without competition.
